3. The essay should be forwarded to the Registrar, Mysore University, Mysore, so as to reach him on or before the 30th June 1931.

4. Each candidate for the essay should state generally in an introductory note and specifically in foot notes, the extent to which he has relied upon different sources of information and the portion which he claims as his original work.

5. 6. The essay must be the rasult of the personal investigations of the author and must contain clear evidence of independent and original research. Essays consisting only of criticisms, compilations or matter discoverable in or deducible from the writings of others will be ineligible for the prize, unless accompanied by the results of the author's independent research.

Letter No. 1128—Edn., dated 5th June 1930, from the Secretary to the Government of India, Department of Education, Health and Lands, Simla, to the Secretary to the Government of Bengal, Education Department.

STATUS OF UNIVERSITIES INCORPORATED BY LAW IN INDIAN STATES.

In reply to your letter No. 340 T.—Edn., dated the 13th May 1930, I am directed to say that the phrase "an Indian University incorporated by any Law for the time being in force" has been held by the Governor-General-in-Council to apply to and include a University in an Indian State which is incorporated by a law of that State. He is, therefore, of opinion that a University such as the Mysore University, which was incorporated by a law of the Mysore State, is an Indian University within the meaning of section 34(2) of the Dacca University Act.

Private candidates are therefore advised to enter their postal addresses clearly in their application forms. The Examination Office cannot undertake to note the changes in the addresses intimated after the applications are sent in. The Examination Office will not be responsible for non-delivery of admission tickets, etc., sent to the candidates concerned, in consequence of the incompleteness or inaccuracy of the postal addresses furnished by them.

11. In regard to the T. C. Examination of 1931, candidates who appeared for and failed in the Preliminary Examination under the old rules in previous years will be required to take the full examination and they should pay the full fee for the Examination.

PRESS COMMUNIQUE.

NEW PATTERN FIFTY-RUPEE NOTE.

In pursuance of their policy of remodelling their currency note issues, the Government of India propose to introduce shortly a new pattern fifty-rupee note. The general appearance of the new note is entirely different from that of the existing fifty-rupee note and bears more resemblance to the hundred-rupee note now in circulation. A detailed description of the new note is given below for the information of the public :—

Size.—The note is 6½" long and 4¼" wide or one quarter of an inch greater in each dimension than the Rs. 10 note.

Design.—The main feature of the colour scheme of the note is the imposition of the principal design, the head of His Majesty the King Emperor, and the legend in a blue purple, upon a border of red purple. These are further protected by an intricate rainbow printing in buff and warm and cold greens.

Front.—On the front the head of His Majesty the King Emperor with Crown and Orders appears within an oval on the right of the note and his portrait in watermark within a similar oval on the left, free of printing. The legend setting forth the promise to pay and the amount of the note appears in the centre on an intricately interwoven rosette composed in the main of the red purple of the border and the cold green of the rainbow print above is a tablet with the words "The Government of India" in large letters and below is the signature of the Controller of the Currency.

Back.—The back of the note is printed in a single colour, mauve, with the value in English and eight vernaculars with two similar ovals corresponding with the oval frames on the front.

Watermark.—The watermark in the paper consists of a portrait of His Majesty the King Emperor in a clear oval on the left of the note and the words "Government of India" in relief in the lower half of the centre of the note.

2. Notes of the new pattern will be issued from the Currency Offices in India from the 15th August 1930. Fifty-rupee notes of the old pattern will continue to be legal tender on the introduction of the new pattern note.

PRESS COMMUNIQUE.

NEW PATTERN FIFTY-RUPEE NOTE.

In pursuance of their policy of remodelling their currency note issues, the Government of India propose to introduce shortly a new pattern fifty-rupee note. The general appearance of the new note is entirely different from that of the existing fifty-rupee note and bears more resemblance to the hundred-rupee note now in circulation. A detailed description of the new note is given below for the information of the public :—

Size.—The note is 6½" long and 4¼" wide or one quarter of an inch greater in ach limension than the Rs. 10 note.

Design.—The main feature of the colour scheme of the note is the imposition of the principal design, the head of His Majesty the King Emperor, and the legend in a blue purple, upon a border of red purple. These are further protected by an intricate rainbow printing in buff and warm and cold greens.

Front.—On the front the head of His Majesty the King Emperor with Crown and Orders appears within an oval on the right of the note and his portrait in watermark within a similar oval on the left, free of printing. The legend setting forth the promise to pay and the amount of the note appears in the centre on an intricately interwoven rosette composed in the main of the red purple of the border and the cold green of the rainbow print above is a tablet with the words "The Government of India" in large letters and below is the signature of the Controller of the Currency.

Back.—The back of the note is printed in a single colour, mauve, with the value in English and eight vernaculars with two similar ovals corresponding with the oval frames on the front.

Watermark.—The watermark in the paper consists of a portrait of His Majesty the King Emperor in a clear oval on the left of the note and the words "Government of India" in relief in the lower half of the centre of the note.

2. Notes of the new pattern will be issued from the Currency Offices in India from the 15th August 1930. Fifty-rupee notes of the old pattern will continue to be legal tender on the introduction of the new pattern note.

In these receipts and the corresponding entry in the receipt register the circumstances of the issue of the fresh receipts and the fact that they bear interest from the date of the original receipts and that interest ceases five years subsequent to that date should be noted. The columns on the back of the receipts relating to payment of interest already paid should be cancelled. Thereafter the receipt intended for subscription to the New Loan will be dealt with in accordance with Paras 9 and 10 of the circular referred to above. OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE, BANGALORE.

Notification No. 21, *dated* 21*st August* 1930.

There are at present 4 Government Adikarnataka Free Boarding Homes for Middle School pupils at Mysore, Tumkur, Hassan and Chikmagalur with a strength of 225, 75, 60 and 50 respectively, besides a free Government Hostel for High School students with a strength of 154 boarders and a free Government Adikarnataka Boarding Middle School for girls with a strength of 30 at Bangalore.

A number of representations have been received from the Adikarnatakas for the establishment of Government free boarding homes at District Headquarters where there are none at present. Similar representations have also been received from important Adikarnataka centres such as Malvalli, Hanuvadi, Dodballapur, etc. It is found not possible to comply with the demand made from every quarter for free Government Boarding Homes, owing to the prohibitive cost of their maintenance. But considering the great rush for admission to the Government Boarding Homes and also the fact that there would be increasing demand for the present type of boarding homes with the increase in the number of Adikarnataka children in Middle Schools, Government, with a view to encourage the starting of aided hostels to meet the growing need of the community for hostels, have been pleased to sanction in their order No. D. 13690-91—Edn. 834-28-2, dated 27th June 1929, in the case of private hostels for Adikarnatakas, the grant of one half of the boarding charges subject to a maximum of Rs. 3 per mensem per boarder in addition to the other concessions under the Grant-in-aid rules in force which are (1) the full cost of establishment and (2) rent: (the "establishment" includes Warden, cook, waterman, peon and sweeper where these are found necessary).

It is hoped that the Adikarnataka public at large and the leaders of the community in particular will take full advantage of the concessions offered by Government by starting private hostels at important centres, where, such of the students of the community as do not get admission to the Government hostels for lack of accommodation in them, may have the benefit of hostel life and its advantages at comparatively very low cost. It should be remembered in this connection that most of the Adikarnataka boys are likely to get scholarships in which case, it would not be a hardship for the boys to pay towards a part of their boarding charges.

The Inspecting Officers of the Department have been requested to render all possible help to individuals or organisations that come forward to start aided Adikarnataka Hostels.

PRESS COMMUNIQUE.

NEW PATTERN FIFTY-RUPEE NOTE.

In pursuance of their policy of remodelling their currency note issues, the Government of India propose to introduce shortly a new pattern fifty-rupee note. The general appearance of the new note is entirely different from that of the existing fifty-rupee note and bears more resemblance to the hundred-rupee note now in circulation. A detailed description of the new note is given below for the information of the public :—

Size.—The note is 6½" long and 4¼" wide or one quarter of an inch greater in ach dimension than the Rs. 10 note.

Design.—The main feature of the colour scheme of the note is the imposition of the principal design, the head of His Majesty the King Emperor, and the legend in a blue purple, upon a border of red purple. These are further protected by an intricate rainbow printing in buff and warm and cold greens.

Front.—On the front the head of His Majesty the King Emperor with Crown and Orders appears within an oval on the right of the note and his portrait in watermark within a similar oval on the left, free of printing. The legend setting forth the promise to pay and the amount of the note appears in the centre on an intricately interwoven rosette composed in the main of the red purple of the border and the cold green of the rainbow print above is a tablet with the words "The Government of India" in large letters and below is the signature of the Controller of the Currency.

Back.—The back of the note is printed in a single colour, mauve, with the value in English and eight vernaculars with two similar ovals corresponding with the oval frames on the front.

Watermark.—The watermark in the paper consists of a portrait of His Majesty the King Emperor in a clear oval on the left of the note and the words "Government of India" in relief in the lower half of the centre of the note.

2. Notes of the new pattern will be issued from the Currency Offices in India from the 15th August 1930. Fifty-rupee notes of the old pattern will continue to be legal tender on the introduction of the new pattern note.

COMPTROLLER'S OFFICE.

Subject—Regarding the supply of receipt books relating to several items of revenue of Municipal Councils.

Comptroller's Office Cir. No. 190 *L.A.D., dated* 16*th October* 1930.

To

1. The Deputy Commissioners of Districts.
2. The President, City Municipal Council, Mysore.
3. The Municipal Commissioner, Bangalore City Municipality, Bangalore.

Government having in their Order No. 1266-75—Ml. 355-29-2, dated 13th August 1930, sanctioned the proposal to stock in this office and supply the receipt books relating to the collection of several items of revenue of the Municipal Bodies in the State, the following subsidiary instructions are issued in the matter:—

(i) The receipt books in the marginally noted forms of Municipal Manual, Part II Accounts, which were hitherto being supplied by the Superintendent, Government Printing, will henceforward be supplied by this office. The Superintendent, Government Printing, has been requested not to supply books in these forms direct to any Municipality or Deputy Commissioner.

Form No. 16 B for House tax
Do 17 B for Profession tax
Do 28 Octroi
Do — For Mis. Receipts and for taxes other than Pound and Octroi
Do 63 } For Pound
Do 64 }

(ii) Every Municipality should in future apply to this office in the following form for these receipt books a fortnight before the last receipt book is likely to be exhausted and the indent should include a supply required for the next three months:—

Name of Municipality	Name of form	Date of last supply	Number supplied	Blance on hand	Number now required	Remarks	Signature of President or Vice-President

(iii) The practice which is prevalent in some Municipalities of issuing receipts in any counterfoil form available when a stock of the prescribed form is exhausted should be discontinued at once. Arrangements should be made to keep on hand a sufficient supply of receipt books in the prescribed form and the use of other substitutes strictly avoided.

(iv) In the consolidated indent of the forms, etc., of the Municipalities to be sent to the Superintendent, Government Printing by the 31st March of each year by the Deputy Commissioner, as per Note 2 to Rule 377, Municipal Manual, the receipt books in the forms referred to at (i) above, which are supplied by this office, should be omitted to be included and a separate annual indent for them sent to this office. This latter will be used for estimating the requirements of the local bodies and getting the forms printed but the actual supply to the Municipalities concerned will be made only on receipt of indents referred to in (i) above.

District Magistrate.

COMPTROLLER'S OFFICE.

Subject—Regarding the supply of receipt books relating to several items of revenue of Municipal Councils.

Comptroller's Office Cir. No. 190 *L.A.D*, *dated* 16*th October* 1930.

To

1. The Deputy Commissioners of Districts.
2. The President, City Municipal Council, Mysore.
3. The Municipal Commissioner, Bangalore City Municipality, Bangalore.

Government having in their Order No. 1266-75—Ml. 365-29-2, dated 13th August 1930, sanctioned the proposal to stock in this office and supply the receipt books relating to the collection of several items of revenue of the Municipal Bodies in the State, the following subsidiary instructions are issued in the matter:—

(i) The receipt books in the marginally noted forms of Municipal Manual, Part II Accounts, which were hitherto being supplied by the Superintendent, Government Printing, will henceforward be supplied by this office. The Superintendent, Government Printing, has been requested not to supply books in these forms direct to any Municipality or Deputy Commissioner.

Form No. 16 B for House tax
Do 17 B for Profession tax
Do 28 Octroi
Do — For Mis. Receipts and for taxes other than Pound and Octroi
Do 63 } For Pound
Do 64 }

(ii) Every Municipality should in future apply to this office in the following form for these receipt books a fortnight before the last receipt book is likely to be exhausted and the indent should include a supply required for the next three months:—

Name of Municipality	Name of form	Date of last supply	Number supplied	Blanco on hand	Number now required	Remarks	Signature of President or Vice-President

(iii) The practice which is prevalent in some Municipalities of issuing receipts in any counterfoil form available when a stock of the prescribed form is exhausted should be discontinued at once. Arrangements should be made to keep on hand a sufficient supply of receipt books in the prescribed form and the use of other substitutes strictly avoided.

(iv) In the consolidated indent of the forms, etc., of the Municipalities to be sent to the Superintendent, Government Printing by the 31st March of each year by the Deputy Commissioner, as per Note 2 to Rule 377, Municipal Manual, the receipt books in the forms referred to at (i) above, which are supplied by this office, should be omitted to be included and a separate annual indent for them sent to this office. This latter will be used for estimating the requirements of the local bodies and getting the forms printed but the actual supply to the Municipalities concerned will be made only on receipt of indents referred to in (i) above.

(v) Of the receipt books in forms 16 B, 17 B, 20, 28, 63 and 64 now in stock in the several Municipalities a supply sufficient to last for the next three months may be retained and the remaining books returned to this office at once with a report as to the number of books of each kind on hand, number retained for use in the next three months and number returned. An acknowledgment will be sent by this office for the receipt books returned which should be filed carefully and produced during local audit.

(vi) The receipt books supplied by this office should be continued to be entered in a stock book and accounted for as hitherto in the manner indicated in rule 377, Municipal Manual. Till receipt books containing machine numbered pages are supplied the pages in each receipt book should be serially numbered and a certificate as to the number of pages contained therein furnished under the signature of the President or the Vice-President before bringing it into use. The Municipal seal should be affixed on the top of each page.

(vii) With a view to enable this office to get a sufficient supply of these forms in advance from the Superintendent, Government Printing, the President of each Municipal Council (the Municipal Commissioner in the case of Bangalore City Municipality) is requested to intimate to this office, without delay the actual number of the books under each of these forms or any substitutes therefor actually utilised during each of the past three years.

B. VASUDEVA RAO,
Head Master and Secretary.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE, BANGALORE.

Circular No. R. Dis. 27—30-31, *dated 6th November* 1930.

As many tanks are rapidly getting silted up, it is necessary that suitable steps should be promptly taken to prevent further damage. The most effective of such measures is said to be the planting of a belt of honge trees in the contour of tanks. If 4 to 6 rows of such trees are planted in a zig-zag manner so as to check the flow of silt without hindrance to the inflow of water, the tanks are likely to be protected to a material extent from further damage.

2. In Government Order No. 2615-22—F. 282, dated 2nd August 1880 (*vide* Article 384 of the Revenue Manual), general instructions have been issued in this matter. But, much progress does not appear to have been so far made and it is not likely to be made unless continuous attention is paid to the work in a systematic manner according to a programme, till the desired result is achieved. A definite number of tanks should first be selected for this treatment. The area of planting should be marked out.

3. It is desirable to interest the Village Panchayet in the work as it would not be proper to create any individual right therein. The Village Panchayets may perhaps be authorised to incur a small expenditure for the purpose. They may be permitted to utilise the income therefrom. The Deputy Commissioners are requested to give their best consideration to this very important subject, select a fair number of tanks in each Taluk for the purpose and advice the Village Panchayets concerned to take suitable action on a well-defined programme. The progress of work under this head should be carefully watched and a report on the progress achieved should be sent up at the end of June 1931.

S. P. RAJAGOPALACHARI,
Revenue Commissioner.
